WORK EXPERIENCE

2014-present ~ Healthcare Sales Representative
Nearly 10 years experience working as a liaison between health care providers, patients, caregivers and the community to connect a frail and elderly population with professional, in-home health care. Responsible for organizing timely, accurate and confidential transfers of patient details (project management) to a clinical team while providing excellent leadership and customer service to all parties involved.

2010-2014 ~ Community Event/Volunteer Director
Worked for a National Non-Profit Healthcare Organization, leading and equipping volunteers to run successful fundraising and advocacy events to achieve organizational budgets (project management.) Was responsible for exceeding income goals and recruiting/training dozens of award winning volunteers to efficaciously carry out the organizations mission.

1994-2010 ~ Building Material Sales/Management/Administration
Began my career in the construction industry as an Administrative Assistant and worked through most positions in this company as I excelled in the business. Eventually moved into management and then outside sales before the company went out of business following the recession of 2009. At that point, I made a career change that pivoted me into the healthcare arena.

SKILLS

In addition to the professional experience and education listed above, I feel that my integrity, diverse self-development, effective communication skills, organizational management background, proven closing skills, strong desire to build relationships, positive outlook, outgoing demeanor and servant's heart would be beneficial in the position for which I am applying. I enjoy meeting new people. I possess exceptional organizational and project management skills. I am detail oriented. I am highly dependable. I am self-motivated. I am a proven leader. I am a good listener. I am goal oriented. I am teachable. I love to learn and learn new things quickly.
