RELEVANT EXPERIENCE

International Educator and Leadership Expert

Department of Defense Education Activity - 20 Years

As a dedicated educator, I worked with DoDEA to provide high-quality education to military dependent students. With 25 years of teaching experience, I've had the privilege of inspiring students across the globe. My diverse background spans: International teaching experience. I taught in Korea for 5 years; Language Arts, Social Studies and video production to middle school students. In Germany, I developed and implemented curriculum for language, social studies and leadership programs. For 5 years, I served as an elementary school teacher and department leader in Virginia Beach, Virginia.
