

ANNEMARIE JUHLIAN

CERTIFIED INTERNATIONAL TOUR DIRECTOR

ABOUT ME

Delivering better-than-imagined adventures is my baseline.

I am driving a motorcoach of Tour Director skills: event planning, 'give me a microphone,' logistics and apps, problem-solving, creative maneuvers and logistics, and liability radar.

Bringing people together and creating lifetime memories is my proven thing - in business, in travel. Am serious about nurturing connections and having fun. Part storyteller, part performer.
