Re: Warwick Driscoll

To Whom It May Concern;

Please accept this letter as my recommendation for Warwick Driscoll. Warwick and I have worked together for 3 years at Landsea Tours & Adventures. I am the Groups Coordinator for Landsea Tours so I take care of all the private charter and large group requests.

Our tour guides operate both the daily scheduled sightseeing tours as well as private charters and tours, and Warwick is fantastic at both. He is friendly and outgoing, always positive and energetic, and truly cares about his guests having a great time on his tours.

Warwick is professional, hard working, always on time for his shifts, and consistently goes above and beyond for his guests, which I feel reflects his commitment to his career and his work ethic.

I regularly receive compliments from guests regarding Warwick and they all mention the same thing, that Warwick is very knowledgeable, entertaining, friendly, funny, and professional.

I also attend Warwick's spin class on Sunday mornings and he is really great at getting everyone motivated and excited about the class, as well as telling us funny stories and keeping us entertained.

I would not hesitate to recommend Warwick for any position he was applying for. If you require further information I can be reached at 604-789-5065.

Sincerely,

Allison Baxter
