## RELEVANT EXPERIENCE

I have experience in front and back of the house in a variety of restaurants along with a catering company. I have worked in a variety of retail stores including small boutiques and at a major department store where I sold women's clothing, high-end luggage, shoes, and Estee Lauder cosmetics. I have also worked at a performing arts center where I helped with contracts, catering, and the box office, and also I managed about 50 volunteers. I also have experience booking trips during my time as an Executive Assistant.
