## RELEVANT EXPERIENCE

### President

*Spectrum Printing & Graphics 24 years*

I was incredibly proud of starting a small copy shop and growing it to an award-winning shop with 42 employees. We were recognized as among the top 20 commercial printers in the DC region and won Business of the Year from the BCCC Chamber of Commerce. Our keys to growth were customer experience, 100% employee retention, and mutually beneficial vendor relationships. I recently sold the business and am looking for the next chapter in my life.

### Furniture Assembler

*TaskRabbit - 2 years*

I love to meet new people and problem-solve. So when a former co-worker told me about the TaskRabbit platform, I jumped at the chance to work with new people daily and help them transform their space with new furniture.
